

Please note that Utah Humanities Competitive Grants are made possible by funding from the National Endowment for the Humanities. If Congress cuts appropriations to NEH, UH's grants and other programs are threatened.

For this reason, we require UH grant recipients to send a letter to both of Utah's Senators and the Representative in your district announcing your grant and describing what is made possible by this federal funding. **Copies of these letters should be sent to UH with your initial Cash Request Form.**

We have attached a directory of Utah's Congressional delegation and a sample letter. Please contact [grants@utahhumanities.org](mailto:grants@utahhumanities.org) with questions.

Sample letter:

Dear Senator/Representative X:

The [organization name] is proud to announce that we have received a grant from Utah Humanities for [title of project] to enable us to [describe the project and its impact].

This grant is made possible by funding to Utah Humanities from the National Endowment for the Humanities. We hope you will continue to support federal appropriations for NEH to enable these kinds of important community initiatives to take place in Utah.

Sincerely,

# Utah's Congressional Delegation 2017
